CORPORATE PARK&PEDAL PLEDGE

- We at ___________________ recognize the value of
  1) our employees,
  2) our local community and neighborhood, and
  3) the earth's environment.

The ongoing health of all three is of paramount importance to us.

- We therefore recognize the benefits associated with our employees
  1) using alternative modes of commuting other than the private car, thereby reducing the impact on parking and traffic in our local community as well as reducing emissions, and
  2) riding bicycles which promotes a healthy and physically active lifestyle.

- Therefore, we hereby pledge on an ongoing basis to:
  1) Actively encourage all our employees to participate in the Park&Pedal program in their daily commutes.
  2) Provide facilities such as bicycle parking and showers, which allow employees to conveniently participate in Park&Pedal and other self-powered commuting methods.
  3) Provide incentives to the extent that we deem appropriate to encourage and reward participation.
